

Jessica Kendrick was an Art Beat student and member of the Austin Tap Ensemble who began tap dancing upon her retirement. She kept dozens of detailed notebooks with choreography and staging of classic tap repertory from greats such as Buster Brown, Coles & Atkins, Leon Collins, and more. Jessica was a shining example of how to fold everyone in the room into one's community – she made sure that any class or ensemble performance was cohesive by making matching headpieces or accessories for everyone involved, and anyone who ever had a class with Jessica received handmade cards on their birthday and homemade jam or treats for every major holiday.

The Jessica Kendrick Memorial Scholarship is awarded to a student, aged 7-11, who is enrolled in the **Tap Program** at ABDC, and who embodies Jessica's and The Art Beat Foundation's values of joy, passion, and fostering a sense of community through dance.

This scholarship will cover tuition and fees for one youth tap class for one school year at Art Beat Dance Center. Successful applicants include children who show a keen interest in the American art form of tap dance and whose families may be unable to afford quality dance education.

Scholarship recipients will be asked to perform 12 hours of volunteer time at ABDC throughout the 2024-2025 school year, to be determined by ABDC Director and Assistant Director. Examples: greeting patrons at the Spring Performance, helping pass out flyers at community events, helping at bi-annual studio deep-clean days, etc. Recipient or their parent/guardian may be asked to speak at an Art Beat Foundation fundraising event.

Please fill out the form below and submit it with the required essays/letters to admin@artbeatfound.org no later than September 1, 2024. Art Beat Foundation staff may wish to schedule a brief interview with applicant and/or parent/guardian. Successful recipients will be notified no later than October 1, 2024.
